SIS NOTICE NO. 15

SIS Probation Period

I have decided to discontinue the one-year Senior Intelligence Service trial period requirement for officers promoted or appointed to the SIS. All members of the SIS, regardless of tenure, serve at the pleasure of the DCI and thus are on a continuing probationary period throughout their SIS career.

The performance appraisal criteria that govern eligibility for stipends and awards, satisfactory performance, or removal from the SIS remain in effect.

John N. McMahon

JOHN N. MCMAHON
Deputy Director of Central Intelligence
